

Basic Entry Notification Guidelines:

Contact Worcester CMED on MED Channel 4:

“Worcester CMED, Worcester CMED from (Service Name & #)”.

Wait for CMED to respond.

“Requesting priority (1, 2, or 3 ALS/BLS) entry note to (Hospital Name).”

CMED will direct you to a Med Channel; switch to that channel and acknowledge:

“(Service Name/# on Med 2, 5, 7, or 8)”

CMED will use entry tone requested.

Hospital/Doctor will respond. Confirm they hear you:

“(Hospital Name), How do you Copy?”

“We are transporting an (age) year old (male/female) complaining of (chief complaint).

Vitals as follows – B/P, Pulse, and Respirations

Briefly provide treatment provided pertinent to chief complaint. (Ex: patient is in full c-spine or extremity splinted or Zofran given)

End with: ***Questions or Instructions?***

Wait for Hospital to respond or sign off.

Request to clear from the MED channel. CMED or Hospital may have questions or clarifications.

*Complaint secondary to an MVA should include:

- severity (minor/moderate/sever damage)
- restrained/unrestrained
- positive/negative LOC
- Immobilized/not immobilized

Hailing on dedicated MED channels, MED 3-Athol, MED 6-Heywood

Example: “Worcester CMED, Worcester CMED from Wood’s 265 5 , ALS entry note to Heywood.”
